

## **YRCAS's Search for a New CEO**

The Board of Directors of York Region Children's Aid Society is currently engaged in a Request for Proposal process to secure an executive search firm to lead the recruitment of a new CEO. RFP submissions from interested firms will include details about how each firm will approach the search for a new CEO, including how the firm will reflect the recommendations of the Ministry's Operational Review in their search actions. The Board will announce the chosen executive search firm during the first week of April.
