Date: April 18, 2024
Subject: Celebrating National Volunteer Week – Volunteer Spotlight: Marlene Pritchard

Hi Everyone,

To commemorate National Volunteer Week and to celebrate York Region CAS' volunteers, the Communications Team would like to highlight and recognize one of York Region CAS' long-serving volunteers, **Marlene Pritchard**.

Position:
Volunteer Driver

How long I've been volunteering:
11 years

Why I Volunteer:

I volunteer because I feel I make a positive impact by contributing my time driving children to where they need to go, especially when I transport children for visits with their families.

I love seeing their faces light up when they reconnect with their loved ones.

My favorite hobby:

I like to quilt, and I like working with stained glass.

During National Volunteer Week 2024, we come together to recognize and celebrate the importance of volunteers like Marlene and their positive impact for the wellbeing of the children, youth, and families in our community.

Warm Regards,
YRCAS Communications

Marlene Pritchard
Volunteer Driver
